ENGLISH AWARDS

April 26, 1989

On April 26, 1989, one hundred and fifty students in Grades 9-12 English classes received awards in various categories ranging from high achievement to outstanding progress.

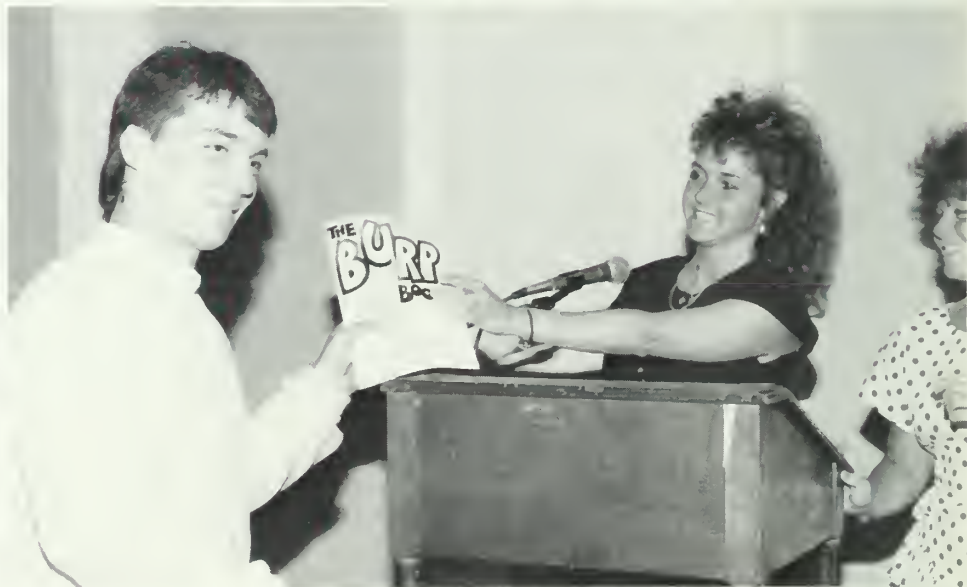

Over five hundred parents and well wishers from the school and greater community attended to congratulate the award recipients.

Students, teachers and parents were enthusiastic and look forward to its being an annual event.

GOLF

The team won the Catholic Central League for the fourth year in a row. Its record was 10-0 and has now won 47 straight matches in league competition.

Sean Klotz was the league M.V.P. and was named to the League All-Star team along with Scott Guild, Rick Metivier, and Charlie Floyd. Jay Thompson, George Morfis, and Jon Zielinski added much to the team's success.

Left to Right Coach George Hennessey, Jason Hurwitz, Scott Guild, Sean Klotz capt., Jay Thompson, Rick Metivier, Ken Gerstein, Steve Lin, Steve Murphy, Charlie Floyd, Bill Cataldo.

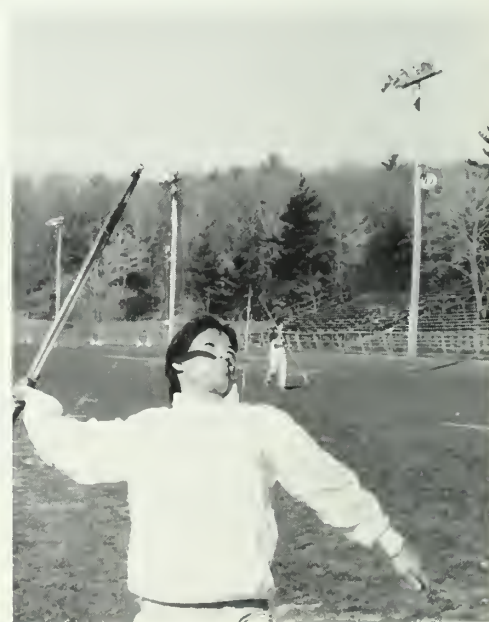

TRACK

The spring season saw the boys track team complete their first triple crown, winning Cross-Country, winter and spring track. Malden and Arlington posed the biggest threat to the team but the boys pulled each meet out by nearly 20 points.

The senior leadership of Tony Hantzopoulos, Wallace Johnson Scott Collibee, Dave Tran, John Galvin and Bill Tetrault was instrumental in this season's championship.

GIRL'S TRACK

For the first time in the GBL, both the boys and girls remained undefeated becoming triple crown champions. The toughest opponent they had to face this spring was Somerville. The Tanner Track Team easily defeated them 81-45. This years seniors have to be given a lot of credit. Jen Brooks and Michelle Pappas, both captains, have always come through for the team. Other seniors like Heidi Schmidt, Cathy Pettipas, Kerrin O'Donnell, Chantelle Violete, and Tracey Velton will be hard to replace because of their efforts. Peabody runners have been able to experience continuous victories.

TENNIS

The 1989 Tanner Boys Tennis Team turned the G.B.L. powers on their heads, with a league record of 8-2. Lead by the senior G.B.L. All-stars, Captain Andy Jacobson, Dana Wantman, Bob Richmond and Jeff Bailey, the team finished second in their league, and went on to the second round of the state team tournament.

TENNIS

The Girls Tennis Team placed third in the Greater Boston League this year. Their record was six wins and four loses. They were selected to play Danvers in the first round of the Division II North MIAA Tournament.

Although the team did well, they are losing 3 seniors. The team should do extremely well next year since they have two Freshmen playing Varsity singles.

BASEBALL

The Peabody High School Baseball Team finished the year with 9 wins and 10 losses, 6 win, 6 losses in the league. Captain Tom Curran led the GBL in batting with a .426 batting average. Roy Anderson, Tom Curran, Mark Bettencourt and Robbie Lojko were named All-league. Captain Tom Curran made Division All-Stars and was selected to play in the Eastern Mass All-Star Game.

SOFTBALL

The softball team won its first G.B.L. title since 1979 this year finishing up with a 14-4 record and quarter-finalist record of 15-5. Next year looks like a promising year for the pitcher Faun Sweeney, an all star on the Boston Globe all-scholastic team, and catcher Debbie Strabonie.

LACROSSE

The 1989 Lacrosse Team finished the season with an 11-5 record. The Tanners were led by captains Mike Caulfield, Dave Deplacido, and all-scholastic goalie Mark Cone. High points of the season were beating St. Johns Prep twice, beating Billerica for the first time ever, and qualifying for the State Tournament for the fifth time in six years. The team set a record for the least goals allowed in a season, with 70. The record has stood since 1977. 1989 was a very satisfying and rewarding one for the Lacrosse team, and hopefully one that will be remembered by players as an enjoyable season.

IN MEMORIAM: MONICA DELOMBA

Remember Me When I Am Gone Away
Gone Far Away Into The Silent Land
Better By Far You Should Forget And Smile
Than That You Should Remember And Be Sad

IN MEMORIAM - BRANDON JONES

Oft in the stilly night,
Ere Slumber's chain has bound me,
Fond Memory brings the light
Of other days around me;
The smiles, the tears,
Of boyhood's years,
The words of love then spoken;
The eyes that shone
Now dimmed and gone,
The cheerful hearts now broken.

Charles J. McCarthy Jr.
Principal

To the Members of the Class of 1989

One of the pleasures of my position as Principal is that I have the opportunity to be the conveyor of glad tidings to students who have achieved in various fashions. The publication of the 1989 META marks the ultimate milestone for the Class of 1989. For that accomplishment, I congratulate all the members of the Class. For the additional intermediate honors, the academic awards, the athletic titles and achievements, the extra-curricular success in theatre and music, you as a class are to be further commended. Those "other" accomplishments are often times the ones that reside the longest in people's memories. Not to diminish the value of the diploma that you have earned as graduates, the other accomplishments are the added fringe benefits, the activities that help to mark the class' sense of individuality, and the uniqueness of its individual members. In all honesty, I can say that when and if we meet several years from now, I may not be able to remember for sure the specific year in which you graduated but there is no doubt that I will have specific remembrances of the way in which this group, the Class of 1989, made their mark at P.V.M.H.S. I am pleased to have had the chance to share in those activities as either an observer or a participant. The Class of 1989 has brought pleasure to me in my capacity as Principal. You have displayed a sense of purpose and a sense of community in your three years at P.V.M.H.S.

I congratulate you on your accomplishments as a class. I look forward to hearing from you as you enter into the post-high school world. I wish you the best of luck in your future endeavors. Last but not least, I wish you more than fair return on the efforts you expend in pursuit of happiness in your future lives.

Sincerely,

Charles J. McCarthy, Jr.
Principal, P.V.M.H.S.

FOOTBALL

The Tanners improved over last years 5-5 record by starting the season with 3 consecutive shut-outs. The mighty tanner offense led by Wallace Johnson, Jeremy Coffey, and Greg Alexander faltered against Malden in its sixth game, but rebounded strongly by shutting out a potent passing team from Cambrige R+L. John Utz, Chris Rogers, and Roy Anderson sparkled as Scott Webster heaved his way into contention for #1 quarterback in the G.B.L.

The Denfensive line was nearly impenetrable as Howard Morse, John Galvin, Dave MacGillvary, Jeremy Coffey, and Gary Gullman laid waste to opposing offenses. Dave Silva, Russ Anderson, Mike Patten, and Tom Curran made the airways dangerous by picking off many would be touch-down passes.

SUPERINTENDENT

PETER D. MOONEY
DIRECTOR

To the Members of the Class of 1989:

It seems like only yesterday that you came into the Vocational School for the first time.

Since that first day in September, the Auto Mechanics have repaired over 3,000 vehicles, the Carpenters have built several homes, garages, decks, sheds and wheelchair ramps, the Body Shop has put over 500 cars back together and the Machinists, Electricians and Electronic students have completed countless tasks.

During your four years here, you have demonstrated your ability to acquire new skills and meet new challenges. You have a right to be justifiably proud of your many accomplishments. You are uniquely prepared to meet the demands of a highly competitive and increasingly technological society.

Please accept my sincere congratulations and best wishes for a bright and rewarding future to each and every member of Peabody Veterans Memorial High School and Peabody Vocational High School, Class of 1989.

It has been a rewarding experience to know you and the faculty members join me in wishing you the best of luck.

Sincerely,

Peter D. Mooney

Class History

In September of 1985, we arrived at the Voke. We started in a blaze. Carlo Capela burned his peach fuzz off when Tony Silva and Rick Ferreira were experimenting with a Bic lighter. Angelo Reale was asked to leave for five days for something illegal the very first week of school. Angelo was never really lucky about getting away with anything. John Aia joined Angelo because of the infamous M & M's incident. By the way, Elio DaSilva, William Clark, and Andy Poretsky and also Bob Pelletier are the only survivors of the freshman year auto mechanics. What did happen to those other five? Roy Easter may have given them a ride without a licence as he was apt to do during that year. Bill Panek warmed things up again by almost blowing up the carpentry shop. He said, "not me!" Do you remember Leo Silva's ripped pants and how he ended up in the street after falling out of the van. What happened to the rabbits? Could Gizmunt, Millea, Davidson, Trefry, Jalbert, Gaudet, and Bellville have something to do with it? We thought our lunches tasted strange that year. Yuk!

During our sophomore year things cooled down a little. Arthur Gaudet was told to fix the lights in the supply room, but he never lit up a thing. Well, Ed Eppinger did try to shed some light on things when he accidentally set Shane Malia's coat on fire. Doug Ferguson, Chris Davidson, Steve Previte, Rich Jalbert, and Mark Dolan got suspended the same year for cutting shop to get lunch at Bill & Bob's. "We never would have gotten suspended," said Steve Previte, "if Dolan could drive." Mr. Lembidakis shattered his glass desk top when he asked Robert Gizmunt to "catch" and Bob didn't. Billy Clark had a raising experience when Bob Pelletier accidentally hitched the chain fall to the front of his pants and lifted him off the ground. Angelo Reale liked sophomore year so much, he did it twice. Richard Russell had difficulty staying seated in the van. He always seemed to be on the floor. Christine Bradley and Angel Thibedeau were not on the same floor, but they were always napping in cars in auto body that year. Dolan, did you ever get your spark plugs back? The class of '89 will never forget how big the bump on Dugar's neck was when he got a muscle spasm.

Things heated up, and tempers got out of hand by junior year. Rhodel Easter and Bill Panek did something to an under classman in the "Jiffy John." Glen Bettencourt had those terrible purple sweat pants that he should have taken off. Kevin Moody tried to put a fourteen foot piece of stock in a twelve foot van. It didn't work. Jason Woods and Bill Clark celebrated Fourth of July for two whole weeks at the end of the junior year. Chris Colagiovanni thought the shop had a ghost when his car took off by itself and went across the shop. Remember when Doug Ferguson took off his glasses to fight and lost sight of his opponent, but still won? Kevin Denis gave a freshman a head butt, and Kevin didn't even feel anything. Now, that shows you how hard our heads are. We only had one foot fight during the four years, but everyone was angry at us—especially the cafeteria staff. Jeff Larcome got caught under a pile—Bill Clark, and Poretsky, and Chris Tavares—It's a wonder he survived.

Arthur Gaudet began our senior year no less electrifyingly than we had started. He short circuited the bells in school. What ever happened to Christine Bradley's "egg" that she received a ransom note for, does anyone know anything about this? It might be interesting to note that we still like to play games. Why is the toilet missing in machine shop? Joe, are you too heavy? Richard Jalbert's attempt to shock Shane Malia's girlfriend backfired in his face. Ricky Ferreira, why did you punch that window? Richard Hunt left school early and we all wish him luck. Chris Tavares did senior year twice. Can he do it thrice?! Will Mr. Marquis and Mr. Celat finally leave this year? Mike Conroy is leaving for sure—still smiling.

From all of us in the senior class of '89 who have made it through after four or five years—it really wasn't all that bad. Thanks to everyone for all their patience.
